Dear Theatre Patrons, Producers, and Actors:

On behalf of the entire Town of Pendleton, I am pleased to welcome you to our Town and The Clemson Little Theatre at the Pendleton Playhouse as they celebrate their ninety-third season. Having a Community Theatre in our historic Town is such an incredible asset, and we hope you will come back again and again to experience the variety of performances.

We are very proud of our Town! While in Town, I encourage you to take advantage of all the great cultural and historical amenities. Enjoy a stroll downtown and have dinner before one of the performances. Our wonderful Town has much to offer.
