Dear Friends and Patrons,

We are thrilled to announce the beginning of the Clemson Little Theatre's 2023-2024 season. Over the years, the theatre has been an excellent source of thoughtful entertainment in our community. The theatre has provided a wonderful forum for our youth to showcase their talents through the Clemson Area Youth Theatre program, and we are excited for their performances of Beauty and the Beast Jr and Charlie and the Chocolate Factory this year!

As I look at all seven of this season's upcoming shows, I do so with pride and eager anticipation. I look forward to enjoying another great year, all made possible by the many volunteer hours from people who love the theatre. These wonderful volunteers deserve the utmost thanks and congratulations!

We, the Clemson-Pendleton area, are thankful for community members who demonstrate the true meaning of performing at each show. We all benefit from their hard work and appreciate their dedication in sharing their talents with our area.

Enjoy,
